Do you want to modify any of these log cabins or create your own log cabin with flat roof?

You can modify the log cabin completely to your wishes. Use our unique 3D configurator for this.

1 Go to our configurator: **lugarde-configurator.com/brochure**

2 Type the product code **BP1:** to open a template of a log cabin with flat roof and canopy or type the product code besides the photo if you want to modify one of the designs in the brochure.

With this you can start **from scratch** and **design** your dream log cabin and straight away you will see all information such as prices, floor plan and 3D design (this can be rotated through 360 degrees).

Size: 300 x 400 cm
