## SQUARE OR RECTANGULAR SUMMERHOUSES WITH PYRAMID ROOFS

**Size:** 240 x 240 cm

**Door:** MG02H

**Product code:** P29

### Would you like to modify one of these summerhouses?

By using our unique 3D configurator you can adjust or amend this standard design. Simply enter the buildings product code to bring the standard model up in the configurator and use the options available to change this standard model to your bespoke design. Within the configurator [lugarde-configurator.com/brochure](https://lugarde-configurator.com/brochure) you will find video clips, photographs, floor plans and drawing of the design chosen. For more information go to pages 13 and 14 of the catalogue.

The product code can also be used on our website [www.lugarde.com](https://www.lugarde.com). Type the product code in the search field and click on  to see video clips, photos and floor plans showing your selected design. You will be able to find your nearest Lugarde dealer on our web site.
